The penny whistle classes are appropriate for children ages 4 through 7-years-old.

Students learn fundamental musical skills through rhythm clapping, listening, singing, musical theory games and playing the penny whistle.

Each 8 week session will introduce one of the following instruments: the piano, violin or flute-like instruments. At the end of the third session students will have the ability to play up to 22 songs on the 6-hole penny whistle.

Tuition Includes:

- Eight 45-minute classes

Session 1 only

- One recorded CD
- One Key of D penny whistle
